<b>Checking</b>	<b>763.85</b>
<b>Savings</b>	<b>1246.05</b>
<b>Total</b>	<b>\$2009.90</b>

### **Meeting Business**

**We were not able to hold our meeting in the usual room at the fire station because of some military training that was taking place. We moved the meeting down the hall to a smaller room. A little cozy, but it worked out OK.**

We are going to have to replace the shelter roof and do some repairs on the fence that separates the pit area from the runway. A future work day will be scheduled when the weather gets a little more predictable.

A new Adopt-A-Park sign has been put up at the flying field recognizing RCSF.

Everett is going to donate a glow trainer to be stored in the shed for training new pilots.

Training has resumed on Tuesdays and Thursday when the weather permits

### Show and Tell

Robert Klugman demonstrated a new version of the club website. He and Bill Dillinger looked it over.

## Fun Facts

An airplane takes off or lands every 37 seconds from Chicago's O'Hare International Airport. That's almost 100 planes per hour!
